Jump to multiple levels inspired by the classic NES tank game in the comfort of your PC. Download, play and share epic desktop PC port super tanks - Battle City 1990 games with your friends and family. The classic game reinvents for PC and comes with all the classic elements seen from the original NES game of the same title. One example is stage/level introducing music, which was one of the hallmarks of the iconic Battle City game. In addition to that, there are various tank models that come along with classic environmental models introduced in both classic and handheld versions of the game. This version follows the same format as the 1991 game juvenile version of the game.This means that the game comes with 100 levels that are more than 65 than the original NES version. Immersive and challenging Super Tank - Battle City 1990 GameSuper Tank - Battle City 1990 comes with mechanics of the same level-based difficulty you'll see in the original game. The difference is the placement of the levels, or the hierarchical order of each level. This means that players will have the opportunity to face tougher enemies at previous levels of the game. The game features random placement of levels without making the enemy's power nervous. To balance this scheme, players have access to a Level 2 tank with a temporary shield at the beginning of each level. The game also instantly add power-ups to upgrade the player's tank to the maximum level. Unlock Level Super Tank - Battle City 1990 comes with all 100 levels to unlock and prepare for exploration. This arcade-like presentation will be the perfect game for a short break or a boring afternoon. Players can see and click on any level to start the game.
